# MEMORANDUM

SUBMITTED

TO

HIS EXCELLENCY THE GOVERNOR OF KERALA,

## DR. B. RAMAKRISHNA RAO

BY

## The Kannadigas and Thulu speaking sections of Kasaragod.

**May it please Your Excellency,**

On behalf of the Kannadigas and Thulu speaking sections of Kasaragod, we take this opportunity of extending to Your Excellency a hearty welcome on this occasion of your first visit to our place.

We wish to bring to Your Excellency's earnest consideration the all important fact that this part of Kasaragod taluk, at least to the north of the Chandragiri river, is admitted on all hands, and even historically, culturally, economically and geographically, as a Karnataka area and deserves, even on grounds of administration, to be merged with its parent State of Mysore, and it is our first and foremost desire to join with other Kannadigas and Thulu speaking sections of that State. Our separation from our parental District of South Kanara in particular and from the State of Mysore in general has done injustice and worked hardship in very many respects.

It may be mentioned that all our ills will be cured and wants satisfied on our attaining a close contact with the rest of the South Kanara District, with whom we have so far been associating in all our walks of life. We will therefore deem it a pleasure and a boon to join with the rest of our brothers in the South Kanara District and thereby with the State of Mysore.

We, in conclusion, pray that Your Excellency will endevour and be pleased to see that our sincere, genuine and long-cherished ambition of inclusion of this part of the Kasaragod taluk in Mysore State is fulfilled. We also pray Almighty God to bless Your Excellency with long life and sound health and also hope that Your Excellency will render continued service to our just cause, for which act of justice and kindness we and all our future generations will be grateful to Your Excellency for ever.

**JAI HIND.**

We beg to remain,
Your Excellency's faithful subjects,

KASARAGOD.
